INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Thomas Baker,

414 Hunt Street,

Cincinnati, Ohio.

Sir:-

Replying to your letter of August 12, 1907, you are advised that the applications for participation in the Eastern Cherokee Fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Sir:-

Relative to your application for participation in the land
claim from the judgment of the Court of Claims in favor of the
Cherokee Indians, kindly state by your name and those of your
ancestors who were living in 1855 and 1861 do not state
the date of death. As none of the parties mentioned in

for you to furnish us with the full history of each one who you
claim possessed any Cherokee blood, stating where they lived, when
they died, and what part (if any) they took in the Cherokee councils.

Were you ever held as a slave? If so, were you owned by
white people or Indians?

Give all the information you can furnish to establish your
claim to the land claim of the Cherokee Indians.

Very respectfully,

Sir:

You are in a right to share in the distribution of the Eastern Cherokee Fund through your father, Imhibali, and your mother, Jay-pu-na-ma. We are unable to find these names, as spelled in your application, on the Eastern Cherokee Roll of 1851; if they were enrolled at that time, as you state, they must have used names other than these. Kindly furnish us with names they would have borne at that time. Give the names of their families who were enrolled with them at that time. Were they enrolled together?

Are there persons or descendants known as the Bettlers?

Please give this matter prompt attention and refer in your reply to No. 9377.

Relative to your application for participation in the Eastern Cherokee Fund, kindly advise this Office where your mother was living in 1851. What was her Indian name? If she was enrolled with the Eastern Cherokees with Jack Sandy, her husband, she must have used a name other than that given by you.

Was Cheo-lo-gah the only child enrolled with her in 1851; if there were others, give their names.

Give the name used by your father in enrollment with the Eastern Cherokees in 1851. Was he known by any other name than Archibald?

Attorney-at-Law
MONEY TO LOAN
Jasper, Tennessee

March 30th, 1908

Guion Miller, Special Commissioner,
Washington, D.C.

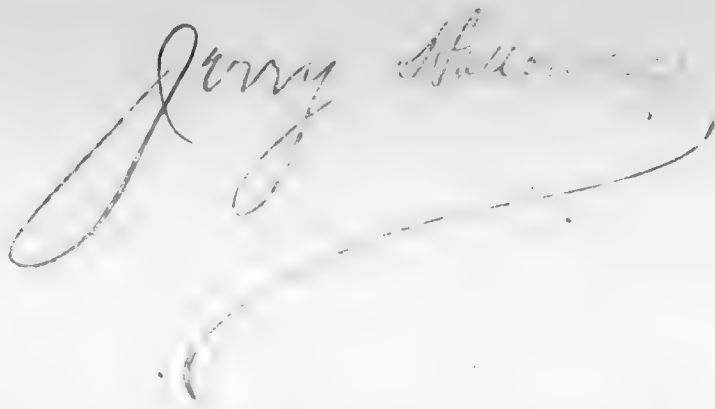

Dear Sir:

Replying to your letter concerning my claim No. 25898, reference to Cherokee claim. I claim no Cherokee descent through my father, but through my mother, who was a Cooper.

I never went to the Terrirory as required by the Act. I had an attorney to look after my interests, but after paying him some money never heard any more from him until it was too late to file .

I was never a slave and have no colored blood in me. Dont know whether either of parents were on Old settler role or not. My grandfather on my mothers side and my mothers name are on the role and you will find my brother and myself on the Indian Role, that is I am informed that they are there.

Respectfully,

Miss.

Appl. #25898

Jerry Holloway, being first duly sworn, deposes and says:--

My name is Jerry Holloway. I live at Jasper, Tenn. I was born in 1855, in Dade County, Ga. I claim through my mother. She died in about 1885. I think she was about 47 or 48 when she died. I don't know where she was born or what part of the country came. My grandmother and grandfather on my mother's side came from Ky. I claim through my grandmother and grandfather on my mother's side. They were recognized as white people, and lived with the white people. They lived among the Cherokee Indians over here in Ga. just before they were gathered up and sent west. I heard my father talk about ~~brothers~~ my mother's father and mother living with the Indians in Dade County, Ga. I heard the old folks say they came from Ky. I don't know whether they were born there or not. I don't know of either of my grandparents on my mother's side ever getting any land from the Government. I never heard of my grandparents on my mother's side taking part in any tribal proceedings. They always voted. I have heard of my grandfather being enrolled with the Cherokee Indians. I don't know when and where. My father died out west in the Cherokee Nation. I don't claim thro' my father. I have two brothers and one sister out west, but I don't think they have any land. ~~brothers names are Jim and Isaac Holloway.~~ My brothers names are Jim and Isaac Holloway. My sister's name that was enrolled out west name is Sarah Zetehum. I think my brothers and sister were enrolled out west about 6 years ago.

Dear Sir:

Have rec'd information through
our Atty, Debra Lockwood, that the
Blythe claim is rejected by your
denying that Nancy Blythe on the
roll of 1835 is same person through
which claim is made. We also
understand that Martha Mary
swore falsely against us, she being a
relative of said family, and obtained
land from same source, saying
Nannie & Nancy Blythe were different
individuals, were my Grandfather
McDonald living I am positive he
could convince they are the same

for he always told his sons they
were eligible, and insisted that
they take lands in that time,
Indian Territory, through their ancient
relation, and we furnished affidavit
from two honorable people who knew
her, in our appeal, and I don't
understand why the evidence of one
given in contempt should overthrow
the evidence that was produced, I
appeal to you a man of honor to
give us a fair deal in this, and
will you kindly tell me who the
rightful heirs to Nancy Blythe
are, if we are not? I hope you
will kindly reconsider this, believing
you have the power to do this.

Very Resp'y.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why your name does not appear on the Cherokee roll of 1851, and those of your ancestors who were living in 1835 and 1851, do not appear on the rolls of those dates. That is, there are none of them on the roll so as to connect them with other family members mentioned in your application. There are over a hundred Nancys on the roll, and it will be necessary for you to furnish us with a full family history in order that we may connect the party mentioned. Give the names of Nancy's brothers and sisters, also those of her parents. State where she was living in 1835 and 1851 - if she was living at those times - and give all the information you can relative to your ancestors through whom you claim the Cherokee blood, being careful to give all the names of the family, both Indian and English and spell the same correctly.

Were you ever held as a slave? If so, state whether you were owned by white people or Indians. Give the date of the death of Nancy.

Very respectfully,

Special Commissioner.

Dr. Sir:

Your inquiry of 25 last relative to the reason why my name does not appear on the Cherokee Rolls of 1857, I was born in 1847. So can see why I did not enroll, as to why my Grand Father Gachariah Cross did not, was, he was not living in 1857.

Elijah Cross was my great Grand Father he later married with a Cherokee Indian whose name I am told was simply Nancy, & from her I get what right I may have to a claim in Cherokee land. Now under consideration. I can give any of Nancy's Bros. or Sisters, ^{name} she lived in the Eastern part of Vir. VA at 41 ^{if they lived at all} and that in formed which, but all the Cross families came to this country from the East.

I heard from Mrs. Ann Cross, after the only Grand Daughter of Elijah Cross, that Elijah Cross wife Nancy died long before the year 1835, but as to the date of their death, she can't tell. My Mother was a Grand Daughter of Elijah Cross & wife Nancy, & from this ancestry I get my Indian blood.

I am. No. 1. never was a slave. I

and white man. free born, & a Native
Democrat.

I have no means of connecting
my ancestry back to Elijah Cross &
wife Nancy, but by the affidavit of
Mrs Ann Cross Taylor. My mother
is dead, and Mrs Taylor has a claim
now on file in your office stating
all she knows in regard to the
matter. I can however establish
the fact that my mother was a Grand
Daughter of Elijah Cross & wife Nancy.
and this is as far or as near as
I can get to Nancy, or her Brother
Sister. I don't know that she ever
had any. Nor, can't find anyone who
does. Elijah Cross & wife having
died long before my birth, and
perhaps before the birth of my
mother.

It is barely possible that a
record of the marriage license
Iss. to Elijah Cross & Nancy can be
found in Sullivan County, Tenn.
I have given you all the information
I can get so far as I know.

Sir:

In the matter of your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please take notice that

Frank D. Ryan

one of my duly authorized assistants, will be at Athens, Tenn.

on Saturday, June 24th, 1908, at 9 o'clock A. M., for the purpose of taking testimony relative to your claim.

You should appear promptly before him, and if you have any witnesses you wish to have testify in your behalf you should also have them present at that time.

You can ascertain where the hearing will take place by making inquiry at the principal Hotel.

Bring this notice with you.

On Sir,

Referring to the witness, would say that I have filed all the proof I am able to get. The only witness that knows anything in regard to Rose at all, is Mrs Ann Taylor, who is now past 82 years old & as a matter of course, she is not able to get to Athens.

Elijah Grace, was my mother's Grand Father, his wife Nancy was her Grand Mother, and Nancy was a Cherokee Indian belonging to the Eastern tribe, and so far as I know this is all the proof that I can make, and this I can show by Mrs Ann Taylor, only.

Dear Sir, I am in receipt of your Notice dated June 20. directing me to Report before a Commission at Athens Ga., on June 24. which I suppose was intended for June 27. 1908. In said Notice I was directed to bring any witnesses that I might have. This is impossible, as the only witness I can get so far as I know is an old lady past 82 years of age. & she is not able to get out for. And unless there is a Commissioner sent to Deaton Mingo Co. Ga. on the spot otherwise taken Mrs. Gault's evidence will not, nor can it be taken.

There are quite a No. of R. & Indian Claimants whose R. & is in Deaton and if not asking too much will you direct a Commission to Deaton Mingo Co. I suppose the larger they are the more pay to the same. in other words they will get pay for their time in investigating the claims. however I shall be satisfied with your decision.

Some time since I recd. notice to attend before a committee at Athens Ga. in regard to Claim No 25918. and file in your office. relative to my rights to participate in the Cherokee fund. & to bring such testimony as I wished to introduce. I sent the notice to Athens Ga. to be delivered to the Com. with the statement which is true, that all the witnesses I know of is some old people, who are too feeble to go that far, they being above 80 years old. But to date have heard nothing from it. That Elijah Cross married a Cherokee Indian I have no doubt that my mother was a grand daughter of ^{to Elijah Cross} ~~my mother~~ ^{Marney} there is no question. But as to where or when they that is Elijah Cross & Marney were married I have no knowledge.

If the testimony of Mrs Ann Taylor is material & good I will set time a list of the questions I will take the proof & forward it. to gether with some other proof. but the miners cant get to the R.R. as it is 15 M. to the nearest point.

Dear Sir:-

Will you please advise me what the grounds were for rejecting application No. 25941, which was reported unfavorable by you on the 28th day of May 1909. I would like to have a copy of your findings ect if such is obtainable. Are the claimants in this and case No 25942 represented by attorneys. This matter has been turned over to me since receiving the copy of the Order of June 10th 1909. The claimants in said matter are deaf mutes and it is hard to ascertain from them just the status of this matter.

Any information you can give me will be greatly appreciated. Send bill of any expense you may incur.

Thanking you in advance, I am,

Very truly yours,

Dear Sir: I have the honor to
acknowledge the receipt of your
letter of the 28th inst. and in
reply to inform you that the
same has been forwarded to the
proper authorities for their
consideration. I am, Sir,
Very respectfully,

There is a great deal of
work to be done in the
field of the history of the
people of the world.

The first step is to
gather together the materials
which are available for the
study of the past.

It is not enough to
collect facts; it is necessary
to interpret them in the
light of the knowledge
which we have of the
human mind and of the
social conditions of the
past.

Sir:-

Relative to your application for participation in the land
arising from the judgment of the Court of Claims in favor of the
Cherokee Indians, I beg to say that as the same is so mixed up and
confused, it is very hard to ascertain through whom you claim your
Cherokee descent. Please get someone who is better educated than
yourself and who can write more distinctly, to write us giving the
names of each ancestor through whom you claim your Cherokee descent,
as far back as you can go, stating where each one lived, and if any
of them were ever enrolled kindly give the name under which each
was enrolled and on what roll their names appear. If not enrolled,
however, and if they were living in 1835 and 1851, give the reason for
their failure to be enrolled.

Were either of your parents ever held as slaves? If so,
state whether they were owned by white people or Indians.

Kindly answer promptly and be careful to make your statements
clear and distinct and in a connected way.

Very respectfully,

Special Commissioner.

Dear Sir:

Re: your application for participation in the war
which was the subject of the court of claims in favor of the
United States, I beg to state that the names as written in your
application are given so indistinctly that it is hard to say with
certainty who you mean. Will you kindly write again, giving the
names and relation of each of your ancestors through whom you claim
your ancestor's descent, as far back as you are able to go, being
careful to write the same clearly and as it is correctly.

As to the cut the names, there are no persons on the roll by
the name of Ship or Mulley. If these are the correct names,
kindly state why those who were living in 1835 and 1851 are not on
the roll of those dates.

Was either of your parents ever held as a slave? If so,

My name is Thomas R. Jackson: I was born in Dickens Co., Ga. 1842: I claim Indian blood through my mother; my father's maiden name was Caroline Hutchinson; my mother was born in Cherokee Co., N. C.: I make no claim of Indian blood through my father: in 1848 my grandmother through whom I claim was dead: in 1835 and 36 my mother lived in Dickens Co., Ga.: none of my ancestors through whom I claim were ever enrolled and never received any money, land or other benefits: none of my ancestors through whom I claim ever had an Indian name: none of my ancestors through whom I claim were ever held as slaves: I never heard of any of them going West with the Indians: my mother never lived with the Cherokee Indians as a member of the tribe: my grandmother lived with the Indians in Cherokee Co., N. C. so I have heard: both I and the ancestors through whom I claim were always regarded as the people with an admixture of Cherokee Indian blood.

Rec. JUN 29 1909
No. 5798

OFFICE OF
JOS. GESSLER
LAWYER

Fullahoma, Tenn. June 28th., 1909.

Mr. Guion Miller,
Washington, D.C.

Dear Sir:-

Your letter of the 24th. inst at hand, and note that you say that the time for filing application for participation in the Eastern Cherokee Fund has expired.

Mr Bass, whose application No. is 25998 asked me to take up the matter and investigate it for him so as to make up the exceptions, as his application has been reported by you for rejection. My reason for wanting blank as asked for in my last letter, was merely to learn the necessary requirements for one to share in said fund. Mr Bass informs me that the party that assisted him, or rather wrote the answers to the questions, was a common Justice of the Peace, and he thinks that he made some error, and he would like to know wherein he has failed to participate in said fund. I would be very glad to know wherein or on what grounds his application was insufficient, so as to become a participant in said fund. Mr. Bass thinks that he is entitled to share in same if he only knew where he fell short, and thinks that he could doubtless make the necessary affidavit that must be filed before Aug. 30th., 1909.

Thanking you in advance for the required information, I await your reply,

Respectfully yours,

Jos. Gessler
